Wolverines Lose To Lovelock; Will Tackle Loyalton

Dads' Day Will Feature Traditional Contest Here Saturday

The Tahoe-Truckee High Wolverines suffered their fifth defeat of the 1954 season last Friday, but not without a battle. The host Mustangs from Pershing County High School in Lovelock handed the local a 21 to 12 setback in the final conference game for the Wolverines.

It was a story of too much Lovelock backfield speed in the persons of Johnny Aufdermaur and Bob Winchell. Winchell scored twice, while Aufdermaur added the third touchdown for the winners. Tahoe-Truckee opened strong, taking the kickoff and marching to the Lovelock 20-yard line before giving up the ball on a fumble. This drive lasted approximately eight minutes of the first period and it looked as if the Mustangs would not even see the ball in the opening period. But the fumble opened the way, and Lovelock quickly hit pay dirt as Winchell ran over from 13 yards out and the host squad led 7 to 0 following the conversion.

Bounce Back

The Wolverines bounced right back in the second period. On a 10-yard scoring play, Jay Stuart passed to Lew Fellows in the end zone for a TD. The conversion kick by Mike Vieu was low and Lovelock still was in the lead, 7 to 6. In the same period, Lovelock tallied again as Aufdermaur faded to pass, found his receivers covered and scampered 20 yards for the six points. The conversion failed and the Mustangs led by 13 to 6 at the halftime intermission.

A bad pass from center set up two more points for the winners in thethird quarter, as the Lovelock defense pounced on Kicker Fellows for the safety. The final Lovelock score came in the final period as Winchell ran from a Statue of Liberty play for 25 yards and the score. The conversion missed and Tahoe-Truckee trailed by 6 to 21.

The fourth quarter saw the Wolverines came back with amazing strength and power as they engineered an 80-yard drive for their final touchdown. Hard running by Mickey Williams, who carried to the three, Bob Sanford, the passing of Jay Stuart and Pat Griffith, combined with the fine blocking of the line set up the TD as Dick Mandevile, workhorse of the locals, bulled his way over center from three yards out. The conversion attempt by Jack Van Hooser was low and the scoring was ended with Lovelock leading, 21 to 12.

Coaches Brehler and Butterfield commended the squad for a fine team effort and particularly for their outstanding comeback in the last quarter.

Saturday the Wolverines will host the Loyalton Grizzlies in a 2 p.m. game at the local field.

This game will be of special interest to all local fans for two reasons.

First, is that the Wolverines will be shooting for their first football win against the Grizzlies who have won the two previous engagements by scores of 39 to 0 and 59 to 0, respectively.

Dads' Day

Sceondly, the game is to be the first in a series of annual Dads' Day games, an idea borrowed from Reno High School. On Saturday the dads of all the players on the Wolverine squad are invited to join the team in the lockerroom before the game and are to have a special bench for the game right next to the team's bench. It is hoped that all the fathers of the palyers will turn out for this one and root the team on to a win over their traditional rivals. This will be the final game of the 1954 season for the Wolverines.

The personel effects and household goods of Mr. and Mrs. John Ernest Jenkins of Reno were destroyed when their truck caught fire and was demolished on Donner Summit Sunday morning at 10:30 o'clock.

Incumbents Will Be Writeins At Hospital Election

Heller, Firpo, Porter Will Provide Voters With Hospital Ticket

Two incumbent members of the Tahoe Forest Hospital board of directors have reconsidered previous commitments and have announced that they will continue to serve the district providing the voters elect them as write-ins at the election November 16.

C. R. Heller, president and member of the board since its organization, and Nace Firpo, who has been active since his appointment three years ago to replace R. A. Scott, have both consented to be write-in candidates.

The joint announcement was made when it became apparent that there would be but one filed candidate to fill the three vacancies occurring. Although Daven Morey filed his petition, subsequent developments caused him to withdraw and announce he would not serve.

The only remaining filed candidate was Warren Porter, Tahoe City businessmen, who filed to replace S. B. Sederberg, another charter member of the board, who declined to serve during the forthcoming term.

Following Morey's filing, Mrs. Morey accepted a position as head nurse at the hospital and the candidate declared he could not serve on the board.

Although the law governing hospital district elections provides that members may reappoint themselves in event no opposition is filed against them, the board at a special meeting Friday decided that an election should be held in the various communities of the district to give voters a chance to express themselves officially.

The two members of the board who are hold-overs are James Sherritt of Soda Springs and Asa Abbott of Kings Beach.

CINEMASCOPE WILL START ON NOV. 14

Jack Neugebauer, manager of the Donner Theater here, announces that after six weeks of preparation, the first CinemaScope picture ever displayed in Truckee will be shown on the new wide screen Sunday and Monday, November 14 and 15.

The picture will be "Black Shield of Falworth" and stars Tony Curtis and Janet Leigh. Other CinemaScope pictures are slated during the balance of the month.

In order to offset part of the additional expense in securing CinemaScope pictures, Neugebauer said he was being required to increase prices slightly. Lodges will be 85 cents, general admission 70 cents, students 50 cents and children 25 cents with the advent of the new equipment and showing of CinemaScope production. The raise represents an increase of only 10 cents for adults and five cents for children.

Counties Request State To Acquire Kings Beach Road

The Nevada County Board of Supervisors Monday followed a previous action by the Placer County board in passing a resolution directed at the state legislature asking that the Truckee-Brockway cutoff road be included in the state system.

It was pointed out in the resolution, presented by Supervisor H. G. Loehr of Truckee, that the lateral, approximately 11 miles long, provides the shortest span between Highway 40 and Highway 50, the two northernCalifornia transcontinental thoroughfares and that in its present condition is not adequate as an emergency highway in event of a disaster which would demand all available highways for transportation.

Further, the resolution said that the short-cut is becoming an increasing burden on the two counties, particularly Placer, in which all but two miles runs. Both counties have expended considerable on the road and it has become increasingly important.

Last winter the road was kept open all winter and was in constant use. During the summer months it is especially busy.

Loehr said he was optimistic over the action of the two boards and questioned whether or not the state, under its secondary highway program, would or could give the attention to the lateral that has been financed and done by the counties. He nevertheless supported the passage of the resolution which will be studied by local legislators and possibly presented at the next session.

Trailer Courts In This Area Asked To Follow Rules

State Housing Officials At Court Hearing Give Local Notice

An immediate clampdown on unlicensed and unauthorized trailer courts were requested by state housing officials at a hearing conducted in Nevada City before Judge James Snell Monday during a session designed to require motels and other places of public dwelling to keep up with laws of sanitation.

The request was made by Thomas O'Brien, state division of housing official and Inspector John D. Jamison, who attended the hearing.

The court stipulated that the case brought against I. O. Gifford and the Truckee Resort by the state division be given until January 7, 1955, for necessary adjustment. During that time adequate sanitary facilities and proper wiring and plumbing shall be put into operation.

Trailer courts were hit by the housing officials, who pointed out that more than one trailer on a designated site be classified as a court and thus comes under the division's regulations which provide for adequate sanitary and living conditions.

Thereare no courts in the Truckee area which have been authorized by the division and it was also pointed out that parking these vehicles in any but authorized courts is illegal.

C. Edmunds was among the witnesses attending the hearing Monday.

Lake Tahoe Also Gives Big Vote to Incumbents At Election

Taking advantage of ideal weather and spurred by several important issues 515 voters in the six precincts in this end of Nevada County turned out Tuesday to follow the general trend of the rest of the state in returning all state incumbents to office for another term.

The six local precincts, including three in Truckee, Donner Lake, Soda Springs and Floriston, gave Gov. Goodwin J. Knight a nearly two to one majority over Richard Graves, the total count being Knight, 321 and Graves, 188. Knight was elected state-wide by more than half a million votes.

In the interesting board of equalization contest in which Paul R. Leake, Woodland publisher, was opposed by Clinton Duffy, the former polled nearly three to one against his rival, the total score being Leake 350 and Duffy, 125. Leake was elected by a handsome majority.

Lt.-Gov. Harold Power polled a fine vote in this area and statewide defeated Roybal. Locally he received 357 votes to 155 for his democratic opponent.

U. S. Senator Thomas Kuchel easily defeated Samuel Yorty in this region and retained his saet in the senate, polling 284 votes to Yorty's 181.

Propositions

In the controversial propositions, eastern Nevada County gave a two to one majority on the proposal to separate the liquor control from the state board of equalization, but the vote on the old age pension plan was a close contest, with 200 yes votes and 194 no. On proposition 17 which would provide the use of state gas tax money to provide parking facilities, this area voted no about three to one.

Lake Tahoe Vote

North Lake Tahoe also followed the general trend.

At Kings Beach 249 votes were cast and Governor Knight received 138 and Graves, 109. Kuchel, 118, Yorty, 122. Leake, 162, Duffy, 73. Powers, 135 and Roybal, 109.

Kings Beach gave Proposition 3 a yes vote by 67 to 41 and favored Proposition 4 by a 68 to 40 tally. No. 17 received 73 yes votes and 81 no.

Kings Beach gave William A. Scott of Auburn 205 votes in his contest for sheriff of Placer county against Emmett McCrary of Roseville. The latter received 32 votes there.

Tahoe City Vote

At Tahoe City where 256 votes were cast Governor Knight fared excellently, receiving 185 votes to Graves 69. Lt.-Gov. Powers did even better, polling 200 to Roybal's 67. Senator Kuchel also did well there, getting 176 to Yorty's 72.

Paul Leake polled 181 votes and Duffy 73 at Tahoe City.

Proposition 3 showed a 162 yes and a 67 no vote, while No. 4 was defeated 158 to 90 and No. 17 lost 171 to 49.

Donner Lake

The new Donner Lake precinct went all out for Governor Knight, favoring him 33 to 3 and gave Powers an equal margin over Roybal, while Kuchel polled 32 votes to Yorty's 2. Leake got 18 votes there to edge Duffy by one.

Soda Springs

Soda Springs gave Knight 33 and Graves 16, with Kuchel edging Yorty 28 to 20 and Leake piling up a 33 to 17 lead over Duffy.

Floriston

Floriston gave Knight only 22 votes to 19 for Graves and was the only precinct in the area to favor Yorty with a 21 to 20 lead over Kuchel. Leake gathered 30 votes against Duffy's 12.

Truckee

The three Truckee precincts combined to give Knight 233 and Graves 140, while Powers beat Roybal 262 to 117 and Kuchel scored a 222 to 156 victory over Yorty and Leake a 296 to 79 margin over Duffy.

SACRAMENTO (CNS)—The state department of motor vehicles counted 5,956,830 vehicle registrations and 6,144,126 outstanding drivers licenses on August 31.

The department said in a monthly report to the governor that this compared with 5,751,424 registrations and 5,924,681 drivers on the same date a year ago.

Action Of Driver In Train Mishap Rebounds

A truck driver who sued Southern Pacific for $43,301 for personal and property damage after his truck collided with a San Francisco-bound commuter train has been told by a jury that he will have to pay the railroad instead.

The jury, the railroad announces, deliberated only eight minutes after hearing both sides in San Mateo Superior Court Friday, October 1, and then ruled in favor of a Southern Pacific suit for $3795 damages to the train, No. 137.

The trucker, Peter Fogli, of San Mateo, Southern Pacific argued, disregarded warning devices when his double trailer cement truck collided with the front of the locomotive and whip-lashed into the sides of three commuter coaches at the Spruce street crossing in Redwood City, March 10, 1952.

Conservation Project For Scouts Delayed

According to Stan Wright, council camping and activities committee chairman of the Tahoe Area Council, Boy Scouts of America, the proposed Conservation Project "Operation Trade Plant," scheduled for the week of October 29-30-31, has been postponed until November 19-20-21.

The reason for postponement, was "good weather." Explaining, he said that the purpose of the good turn was to plant 12,000 new seedlings in the burned area near Loyalton, and with the lack of moisture in the ground, it was decided by the Tahoe Forest Service, headed by Gus Rickel, supervisor, that additional rainfall or snowpack must occur before the planting operation can be completed.

The 200 first class Scouts and explorers and 25 leaders that were scheduled to go will adjust their plans to complete the operation on the November weekend.

Highway Construction Costs Increase 10 Per Cent In Quarter

SACRAMENTO (CNS)—California highway construction costs rose during the third quarter of this year, the first increase since 1951, the state division of highways announced.

Highway officials said costs went up 10 per cent over the second quarter of the year, but were still 15 per cent under the all-time high reached in the fourth quarter of 1951.

Based on a cost index of 100 for the year 1940, the index during the July-September period was 207.8, compared with 189 for the second quarter and 245.4 for the fourth quarter of 1951.

The division attributed the reverse in the down trend of the last two and a half years to increasing labor costs, which outweighed keen competition among contractors.

Division officials said they believe the proposed federal highway building program will tend to raise construction costs. But they expect a slower rate of rise during the next few calendar quarters than in the past.

Overflow Registration In Colleges Of State

SACRAMENTO (CNS)—The state department of education has reported to Gov. Goodwin J. Knight that this fall's overflow enrollment at California's ten state colleges ranged from 4 per cent at San Jose to 40 per cent at Sacramento.

The department said prospective students at six of the state colleges, Humboldt, Los Angeles, Sacramento, San Diego, San Francisco and San Jose, had to be turned away.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"
"That's why we 'adopted' your town and to get all the news we subscribed to *The Clarion*. Now *we* have a 'back home' to talk about—and we think it's the most wonderful town there is!"
From where I sit, just about everyone thinks his own home town is best. Picking your town comes natural. The *right* to do this "picking," though, is what really counts. Whether it's a favorite town, a favorite cut of meat, or even a choice of a beverage—say between beer and buttermilk, it's respecting the right to this freedom of choice that makes a good neighbor. I hope *you* subscribe to that!

TAHOE TOPICS

by JEANNETTE MITCHELL

The William Hunters' of Lake Forest were unexpectedly saddened by the sudden passing of Hunter's father, O. Z. Hunter, former resident for 33 years of Lodi. Hunter was a retired P.G.&E. employe, born in Tennessee 66 years ago. He leaves his widow, Clara Hunter, three children, William Hunter of Lake Forest; Evelyn Wallin of Stockton, and Marlene Hunter; there are also four grandchildren, Mary Ellen Hunter, Billie Hunter, Stanley and Judy Wallin. The funeral was held at the Wells Funeral Home, Lodi, at 10:30 a.m., Monday morning.

On October 28th the Tahoe City Elementary P.T.A. held its regular meeting at which some 22 mothers and interested guests attended. The potluck dinner was reported as a success. Marge Fellows told of the Halloween party plans which we all know by this writing, was a great success in that it brought every chick and child out and it was anyone's guess who was who. There were many prizes awarded and it was a task for the judges, Mr. and Mrs. Warren Porter, Bill Vernon and Jack Dunn. It was hard to choose as the costumes were so varied, but a good job was done and everyone went home happy and tired and aching from laughter. Donuts and soda pop was served to the small-fry with coffee to the oldsters. Dancing was enjoyed by the older set following the party. The entire staff of teachers, and Principal Roberson are to commended on their help and interest in the community children and with the help of the P.T.A. ladies nothing went amiss.

Getting back to the P.T.A. meeting, President Edna Obexer suggested various committees be set up and a program made for the coming year. Room mothers were also to be selected by the teachers of the classes. It was moved and seconded to have Mr. Dorsy show a film on the origin of the Cub Scouts and an effort is now in motion to revive the Cub Scouts in Tahoe Lake School. Mrs. Horwath offered to organize the Brownie Group for the girls—if any mothers were interested kindly contact Mrs. Horwath, at Homewood. The motion was made and unanimously passed to present Mrs. Bean and Mrs. Tiffy with a thank you gift from the P.T.A. group for their many hours of work done after the school activities.

On the hird Monday of the month the officers and committee members are to meet and plan the program for the following P.T.A. meeting, thereby facilitating a more orderly meeting and consuming less time of both teachers and parents. Some activities are to be also planned wherein dads can hold forth with some interest.

Over a month ago the initial membership drive of the Lake Tahoe Ski Club was held with successful results acquiring 50 new members. Carl Bechdolt, Jr., and his wife, Elsie, loaned the Tahoe golf course for the benefit of the ski club—it was pay the greens fee or join the ski club. Everyone present had a grand time and the members are still coming in. On the eve of November 5th, that's this coming Friday, when you folks will be receiving your Sierra Sun, the Lake Tahoe Ski Club will hold their second regular meeting which will feature a potluck dinner starting at six o'clock, in the Tahoe City Community Center. Mrs. Dorothy McCaskie is in charge of the arrangements. The ski club will hold two meetings a month. The first meeting of each month will be a business meeting, held in the Tahoe City Community Center while the second meeting will always be held at Squaw Valley and will more or less be the social meeting. Hoping to see all the Tahoeites and their guests at the potluck—and let's join and support our Lake Tahoe Ski Club

A phone call from Orin Kaye, whom we all know of through his Tourist Guide Booklet, informed me he is the proud father of an 8-pound baby boy, named Thomas Cavanough Kaye. Since his advent into our midst on September 23 we understand that mother and father are doing fine.

Sandy Saunders of Tahoe Park has left for winter's employment down Las Vegas way. Alyce will remain here at Lake Tahoe in their home and stay in the employ of the Pacific Telephone Company. Sandy will find other folks from Tahoe—the Al Sanfords having been down there for some time now. The Walton Saunders, Sandy's folks, have a new home in Las Vegas, so he wil be far from being lonely.

Denis Sach of Pineland, just returned home after a flying trip to attend the school board directors convention, held in Long Beach this year. Sach also took a side trip to Palm Springs.

The Lake Tahoe Ski Club will be opening their social season with a dance November 13, 8 p.m. at Squaw Valley Lodge and boast of a live band for your dancing pleasure. Mrs. Carol Marvin is in charge of the affair. All are cordially invited to attend and have fun.

The ski club is under way now with President Gordon Butterfield, First Vice President Jim Baker; Second Vice President Pete Hugo; Corresponding Secretary Jack Starrett; Recording Secretary Lucille Hugh; Treasurer Jim Stewart; Chief of Hill Floyd Carnell; Tournament Director Blanch Donaldson; Jr. Group Rep. Ray Fellows; Directors at large: William Ball, Bill Bechdolt, Rick Giannini, Al Henry, Alex Cushing; Publicity Director Pat Reilly.

Committees: Jumping Hill chairman, Jim Baker; telephone communications, Ray Fellow; membership, Rick Giannini, hostess, Mrs. Dorothy McCaskie; fall dance chairman, Carol Marvin; competition chairman, Dotty Post.

Drinking Drivers Are High Contributors To Auto Accidents

Drinking drivers contribute almost one-third of California's traffic grief, according to a report recently issued by Milo L. Hewitt, supervising inspector, California Highway Patrol.

The statement that alcohol and gasoline don't mix is thoroughly borne out in a survey of traffic law violations for the year 1953. That survey discloses that 29 per cent of all drivers involved in death or injury accidents had been drinking at the time of the accident.

Further compounding the problem is the fact that 14.2 per cent of all pedestrians killed in traffic in California during 1953 were obviously drunk or had been drinking.

"With California leading the nation in the number of registered motor vehicles on our highways, the problem of the drinking driver and the drinking pedestrian is a matter of major consideration," declared James T. Blalock, chairman of the executive committee of Western Insurance Information Service.

NEW OFFICIALS NAMED BY PMT

Appointment of Robert K. Booth as vice president and Robert K. Lattin as general manager of the Pacific Motor Trucking Company was announced today by PMT president, L. B. Young.

They succeed Clarence P. Hottle, whose death October 16 left the two positions vacant.

Both Booth and Lattin have been assistant general managers for the PMT, a subsidiary of the Southern Pacific Company.

Young also announced four other promotions in the trucking firm. B. R. Johnson, former San Francisco district manager, is the new assistant general manager, while G. D. Clark, district manager of PMT in Tucson, Ariz., is replacing him in San Francisco. J. L. Kennedy, who has been assistant district manager here, will succeed Clark in Tucson and R. M. Marshall has been promoted from district traffic representative in San Francisco to fill Kennedy's old post.

Tahoe-Truckee School District News

KINGS BEACH SCHOOL

Kindergarten—First: Since we have a new flag outside the school, our class goes outside to salute it.

This week we made Halloween decorations for our room. Phil Thompson, Beverly Bergman, Brenda Hallahan and Peter Zeitz made pumpkins of paper mache balloons. Darryl Lausche brought a jack-o-lantern.

Second and Third Grades: Tuesday we saw two films in conjunction with our social studies. Cathy Arney spent this week in San Francisco.

Fourth, Fifth and Sixth: Last week was a time for making ghosts, goblins, pumpkins, and witches. Our classroom was decorated with the traditional orange and black for the Halloween party Saturday night. We have a new student in the fifth grade, Doris Griffith, who is living with her grandparents, Mr. and Mrs. A. E. Abbot.

TRUCKEE ELEMENTARY

As part of our readiness programe for future correct spelling and usage of words we have been learning about word sounds—how to say them and how they sound alike. Each member of the class is able to recognize the combination of letters that forms his own name. Some of those who have printed their own names and have them posted on the bulletin board are: Bonnie Cano, Kathy Braasch, Judy Ann Wescoatt, Judy Wakefield, Willy Hendrix, Lenny Vind, Gail Englehart, Donald Whiteneck, and Timmy McLane.

In Thursday's dramatization of "Five Little Ghosts," those participated were Karen Hedlund, Gary Waters, Twila Lee Barber, Janice Baysinger and Karen Frates.

First Grade: Instead of spelling during the first term of first grade, we learn letter sounds and word formations. We made up poems and learned that words that rhyme usually end with the same letters. Sherry Borden and Alexandra Cushing made up a poem about Halloween: "Ghosts, witches and a clown; we're filled with candy all over town."

First Grade: In first grade the first few months are spent in preparing the foundation for spelling later in the year. Among those bringing word pictures to school are Diana Pankoke, Patricia Harris, Gordon Drendall, Charles Hintz, Dawn Maynard and Jackie Finnegan.

Second Grade: We have been learning the sounds of letters which help us in spelling. Those having correct papers displayed on our hall bulletin board this week are: Garry Sturcke, John Leavens, Karen Whittenberg, Marcia Leamon, David Sorani, Peggy Berger, Judy McGwinn, Salvadore Cabrera, Carolina Urbina, Eddie King, Gregory York and Terry McKurtis

Third Grade: Words for the spelling groups are chosen from the new words in reading and from misspelled words in written work.

Fourth Grade: Those in our class who have received very good or excellent grades in most of their tests are Pamela Rose, Gene McGihon, Kathryn Harris, Janice Roth, Michael Kenyon, Janice Eaton, Janice Stewart, Patricia Ramsey, Virginia Barnes, David Pankoke, Joe Parkhurst, and Kathy Curran.

George Hendrix, Kittie Ellis, Rickey Colston, and Joe Cabrera have shown improvement.

Fifth Grade: Mike Kumle, Rickie Rockholm, Don Breakfield, Donna McReynolds and Jimmy Osburn started the year in the fourth year speller, but they have since been promoted to the five-star book, and are doing quite well in it. We have two spelling tests. Among those students who have shown the greatest improvement in spelling are Mike Armstrong, Violette Dohme, and Pamela Freeman.

Sixth Grade: The class is divided into two spelling groups. Those who have received perfect scores in their spelling tests since the beginning of the school year are: Ronnie Borden, Lily Cushing, Elethia Marquis, Cynthia Reynolds and Timmy Risden.

The sixth grade together with the first grade is putting a playlet entitled "Tim Makes a Friend." The whole class will participate in the program for the P.T.A. on Monday, November 8.

Those having speaking parts are Mike Kaspian, Cynthia Reynolds, Lily Cushing, Reggie Smart, Judy Giovannoni, Stephanie Firpo, and Clark Kydd.

Last week the class elected its November officers. They are Nicky Stone, president; Quinton Kay, vice president; Mike Kaspian, secretary; and Drew Weyman, treasurer.

TAHOE LAKE SCHOOL

Kindergarten: The Tahoe Lake kindergarteners are learning to plan their activity time each morning.

Thursday presents a typical day's plans. Dick Pomin, Marty Spitzen, Kim Marvin, Rae Lee Grahn, Jimmy Sergi, and Barbara Broyles chose to make more orange and black paper chains to decorate for Halloween. Vicki Jones, Johnny Carnell, Darlinda Stark, Mary Lou Sartor and Jimmy Bechdolt painted big Halloween pictures. Chris Beavers became the truckdriver and builder for the day. Martin Lorentz and Chris built some fabulously designed houses out of the little building blocks. George Speeter and Sam Glasser constructed roads and trains. Jon Kehlet chose to be the train engineer for the day.

First and Second Grade: Halloween activities highlighted classroom activities this week. "Spooky" scenes were made by Pat Dempsay, Jeff McLane, Stephanie Snyder, Cathy Conners and Julianne Bechdolt. In preparation for our party Friday night, chain decorations were made by Joyce Anderson, Cynthia Rollino, Dale Mitchell, Dick Nielsen, Jake Obexer, Joyce Randall, and Christine Litke.

Third and Fourth Grade: There was a "buzz session" held in the third and fourth grades. The topic was "What Are Good Schools?" The leaders of each group were: Gill Gorham, Joe Hoxsie, Vicki-Jo Rich, Steve Lorentz and Janet Verner. The groups "buzzed" together and drew many conclusions about good schools.

Fifth and Sixth Grade: The Tahoe Lake P.T.A. gave the children a Halloween party Friday night from 7 to 9. Everyone was invited and there was lots of fun.

The children in our class who got 100 per cent in spelling this week were: Bruce Scott, Carolyn Henry, Ellen Rich, Diane Horvath, Steven Randall, Jo Ann Pomin, Trent Giannini and Ann Brimhall. Starting next week, we are going to have a spelling contest between the fifth and sixth grades which will continue until Christmas.

Nell Ellis and Roy Edmark have left for the winter months.

DONNER TRAIL

We have concluded the study of reptiles for the month of October, and as an ending we drew pictures and made a display for our bulletin board. We will put headings under each picture which will tell some facts about the family of reptiles. Our new subject will be birds. For our Halloween party we had games at school for a short time on Friday. Our main Halloween party was at Kiski Lodge. All the children of the area were invited for a party and refreshments on Saturday night. We had games, music and a display of costumes. Prizes were given too.

HIGH SCHOOL

This week students of the high school were actively engaged in preparing themselves for finals week.

Thursday night the high school was host for a joint meeting of the Nevada Western Conference Administrators and the Placer County Administrators staff. A delicious buck stew was served by Mrs. Stanley Zwarg and Mrs. Muriel Frey.

Saturday, Miss Telma Finger and George Boyle traveled to Strawberry Lodge to the Northern Section meeting of the Audio-Visual Educational Association.

Next Saturday we will have our last football game of the season with Loyalton. This day will be "Dad's Day" at Tahoe-Truckee High School. All fathers will be invited to visit the locker room before the game, and may sit on the bench during the game, if they desire.

Mrs. Anna Blaue of King Beach has left on her annual winter trip to Ventura. Where she will be befor spring is anyone's guess but probably in the sunny south, Mrs. Blaue said.

The conservatory in San Francisco's Golden Gate Park is a replica of Kew Gardens, in London.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Well, here we are away down in Pasadena for a short stay but our thoughts are at dear old Tahoe, away from this confounded smog that plagues this southern California, and it's such a lovely place too, it's a shame when the good Lord gives a place everything that the heart desires, and mere man has to come along and spoil everything. Well it was a wonderful trip down, we were accompanied by Sophie C. Miedema and her daughter-in-law, Carol and baby Robin, so it looks as though the column is kinda short this time for which I sincerely apologize. We are enjoying three weeks vacation from our labors. Fosten W. Wilson, judge of Truckee judicial district, is taking over for me during that period.

It is with deepest regret that we have to report the passing of our friend, Cloyd Sipe's father, who was living in Santa Monica. Cloyd told me he would leave to attend the funeral on Saturday, October 30. It is hardly necessary to say that the sympathy of the whole neighborhood goes to Cloyd and Dorothy Sipes in this hour of sorrow. The Lord gave and the Lord taketh away; blessed be the name of the Lord.

November the 7th the social committee is arranging another Swiss steak dinner for only one dollar at the Community Church, and then on November 10th, they are calling the first meeting of the Come Double Club, and December 5th a favorite dish dinner (potluck) and don't forget there is choir practice at the church from 8 to 10 p.m. every Friday night. Why don't you attend some one of these nights and try out your voice?

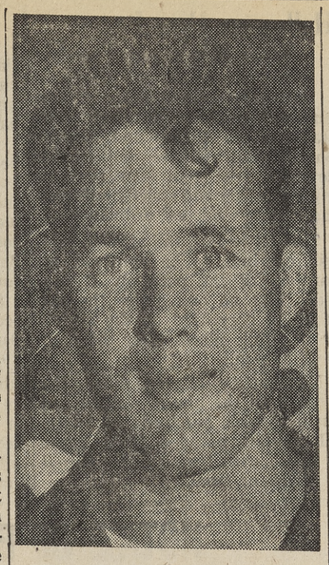
It hardly seems possible that the Christmas tree cutters are already cutting thousands to ship out. The extremely dry weather is going to make it tough on them getting them out for shipping.

I see Mrs. Mathias of Joe Robertsons real estate office has purchased a real nice place in Carnelian Bay and is having an addition already. Dave Ashton is doing the job for her and is coming along fine.

What a surprise a few moments ago when we opened the door to a knock and found our very good friend, Joe King, standing there with two lovely ducks. Oh boy, oh boy, beauts. Joe had a good catch, I'll bet. Thanks Joe.

Was up looking around the Joby and Helen Lewis home. It sure is a swell looking place. It's just over from the rear of Cal-Vada Lodge. I am sure they are going to be mighty proud of it, and we congratulate them, it's dandy.

Never saw Walt Bailey's Tahoe Vista Garage busier than it is right now, swell, if it would keep up all winter. Maybe it will. Trips to Reno nearly every day for parts.



PFC ERNEST HUDDLESON of Lake Tahoe, is serving in Korea, where he is a stenographer with the United Nations Command's Headquarters. Huddleson, son of Mr. and Mrs. Hugh A. Huddleson, Zephyr Point, entered the army in October, 1953. .... U.S. Army photo..

Janice will know her way there pretty soon, as she is the expert errand girl. My wife gets many free trips to the "Big Little City."

There is a wonderful motel being built on the property that was owned by Floyd Lowe at Kings Beach right over from the Brockway Livery Stable. The property runs clear from the highway to the beach. Very desirable. I am told that the new owners, Carl and Mrs. Thorwaldsen, are building 10 units at the present, but there is ample room for more which they intend to build a little later on. The highway clear to Dollar Hill is rapidly filling up from Brockway to the hill, and not only that, I see that there is a real village in prospect just a little west of Dollar Hill. It would seem that there is nothing to stop the progress of Lake Tahoe. I would like to see it 20 years from now. As we ain't seen nothing yet, ain't it wonderful?

IT'S WISE TO ADVERTISE!

Taxable Transactions In State Surpassed Three Billion Mark

SACRAMENTO — Transactions taxable under the California sales and use tax law surpassed $3,800,000,000 during the second quarter of the year to come within 2 per cent of last year's record total, according to Paul R. Leake, third district member of the state board of equalization. The second-quarter tax base exceeded that of the first quarter of this year by 15 per cent. Taxes assessed on this base slightly exceeded $114-1|3 million, indicating an annual yiel of almost $460,000,000.

Second-quarter sales of establishments popularly regarded as retail outlets amounted to $2,2674,-106,000,a figure almost 4 per cent below last year's second-quarter total. Taxable transactions of personal service establishments rose to almost $120 million to record a 1.4 per cent gain over the level of a year ago. Reported retail sales of manufacturers, wholesalers, contractors, and miscellaneous outlets also climbed to a new second-quarter high of $987,732,000 to record a 4.2 per cent gain over 1953.

Governments Must Give Children Protection In Crossing Streets

SACRAMENTO (CNS)—City governments, not school districts, must provide protection for school children crossing streets on their way to and from classes.

This was the ruling of State Attorney General Edmund G. Brown, in response to a request from District Attorney W. O. Weissich, of Marin County, regarding the San Anselmo School District.

Brown said regulation of traffic laws is one of the most important duties of police officers, for protection of motorists and pedestrians alike.

"The police have a duty to protect children going to school from possible injury occasioned by violation of the traffic laws the same as they have the duty to prevent the commission of any crime," Brown wrote.

The attorney general pointed out, however, that safety of school children is a community problem requiring the cooperation of all communty agencies, police, and school districts.

Brown did rule that school districts are responsible for supervision of street crossing adjacent to school sites.

District Rotary Head Visits Lake Tahoe Club

TAHOE CITY—The Rotary Club of Tahoe City was host to W. E. Jansen, governor of the 164th District of Rotary International, who is making his annual official visit to each of the Rotary Clubs in northern California and Nevada. He addressed the Tahoe City Club and conferred with President Bill Connors, Secretary Jim Martin and committee chairmen on Rotary administration and service activities, and on plans for the participation by the Rotary Club of Tahoe City in the world-wide observance of Rotary's golden aniversary, February 23-June 2.

He was elected district governor of Rotary International for the 1954-55 fiscal year at the annual Rotary convention in Seattle, Wash., last June. He is one of 220 district governors supervising the activities of some 8300 Rotary Clubs which now have a membership of 389,000 business and professional executives in 89 countries and geographical regions throughout the world.

Halloween Here Passes With Minimum Trouble

Halloween passed more or less uneventfully here, although Constable N. F. Dolley and Deputy Sheriff Roy Waters and special deputies were kept busy preventing vandalism and strictly enforced the county's curfew ordinance.

This latter law, the officers said, will continue to be enforced regardless of the occasion. It provides that no one under the age of 18 be permitted on the streets or in public places after the hour of 10:30 p.m.

No arrests were made during the three days the ghosts walked and during which hundreds of youthful goblins paraded from house to house with their playful threat of "trick or treat."

CHURCH NOTES

The Women's Society of Christian Service will have its annual church bazaar a week from today on November 11 in the church basement.

On the following night, November 12, the Methodist Church is having its first family night of the year. This begins with a potluck supper. Those desiring to come are asked to call Mrs. Gus Benjamin and let her know what you will bring.

Sunday, Gene Risden will again occupy the pulpit for the Rev. Osman who is on vacation.

This Sunday evening the Methodist Youth Fellowship will have its meeting as guests of the MYF in Kings Beach Fellowship. The Rev. A. B. Coyher of Kings Beach will provide the leadership for that night.

Tarzan

by EDGAR RICE BURROUGHS

THE APE-MAN WATCHED IN AMAZEMENT AS THE FLIERS OF A HELICOPTER LASSOED A NATIVE RUNNER AND CARRIED HIM OFF.

TARZAN'S ABSORPTION IN THE HELICOPTER-KIDNAPER RELAXED HIS CAUTION--UNTIL A HARSH VOICE SOUNDED FROM BEHIND. "YOU'RE COVERER FRIEND-DON'T MOVE!"

TARZAN SAW TWO BURLY WHITE MEN. HE CHARGED INSTANTLY--BUT A RIFLE STOCK WAS SMASHED AGAINST HIS HEAD!

"NICE TRY, PAL," SNARLED HIS ASSAILANT. "ONLY NOBODY JUMPS LEON POST--NOW MARCH!"

THE APE-MAN WAS DISARMED AND LED AWAY. "WE GOT USE FOR STRONG BOYS LIKE YOU," SNEERED LEON. "LOOK!"

TARZAN GAPED. BEFORE HIM WAS THE TOUCHING AND PITIFUL SIGHT OF MANY NATIVE PRISONERS--ALL FORCED INTO SLAVE LABOR ON A RAILROAD!
